

## 2022 NSG Rego Fact Sheet

**PLEASE READ THIS INFORMATION BEFORE REGISTERING YOUR DAUGHTER FOR NETSETGO IN 2022.**

### **New Registration Platform**

- PlayHQ is the new registration platform.
- You will receive a registration link from WPSNC in early January.
- If you wish to use the **Active Kids voucher**, please apply for this voucher **BEFORE** you commence registration. Access your voucher from ServiceNSW.
- To ensure we put your daughter in the right team, there are 4 VERY IMPORTANT questions you need to answer **CORRECTLY** on the WPSNC registration form:
  - In 2022 - what school year is your daughter in – Yr 2 or Yr 3?
  - Did your daughter play NSG in 2021?
  - If your daughter is joining/staying in an **EXISTING TEAM** – name two players in that team.
  - If your daughter is **NEW** or does not have a team, please name one friend she would like to play with.
- **Your early registration is much appreciated.**

### **NSG Teams**

- All teams are friendship teams for players in school grades 2 and 3.
- **Individual or new players in Yrs 2 & 3** are very welcome and the Club will assist these players to find a suitable team.
- Parental involvement in the form of manager, umpire and coach is required for all NSG teams.
- NSG umpires must be over 15 years and attend the education session provided.

### **NSG Season**

- Commences Sunday 3 April until 21 August 2022 – no games in school holidays.
- There are 13 round games, plus an extra Gala morning.
- All games are played on Sunday mornings at Willoughby Leisure Centre, at either 9am, 10am and 11am.

### **NSG Training**

- NSG training is held at the WPS school court.
- Teams can choose from **Tuesdays before school** OR **Thursdays before school** OR **Thursday after school**, as suits the majority of families, plus your coach.
- It's great when multiple NSG teams train together and play a training game at the end of training. The school has 3 training spaces and NSG teams will rotate between the spaces and the court to ensure everyone gets a fair go.
- Regarding training & weather – teams (coach & manager) will make their own decision whether to cancel training or not. If poor weather is forecast, please advise your team members to have a back-up plan for their daughters to be collected.

### **NSG Jewellery**

- Jewellery including earrings, watches and friendship bands cannot be worn & must be removed.
- Earrings **CANNOT** be taped.
- Nails must be short & smooth.
- **DO NOT GET YOUR DAUGHTERS EARS PIERCED BEFORE OR DURING THE NETBALL SEASON AS SHE WILL NOT BE ALLOWED TO PLAY.**
