

Highlights

- Overall Chess Club members 92. This compares with 70 at this time last year. The popularity for the Novice class means we are contemplating opening a 5th classroom to split the 31 students in this beginner level
- Successful tournaments this year for over 16 chess club members

Financial Snapshot

- Continue to be profitable. Currently around \$19,000 in the bank, however most of this will be paid to SAC for term fees. Equity in the Club is \$10,752. Simply put, the club is in great financial shape.

Next Steps

- WPS to host the Interschool Semi-Finals (“Regionals”) on August 14. The school hall will be used all day Friday in Week 5 and will rely on volunteer parents and help from the school staff to enable this to happen.
- Continue to develop profile amongst primary children as a majority of members are in infants
- P & C to inform Chess Club re privacy rules on data we have on our database (eg. Can we share parents email addresses / mobile numbers to facilitate roster swaps?)
- Payments & registration – what is the best system?
