

## **Highlights**

- Overall Chess Club members 92 (actives). This compares with 90 at this time last year.
- Successful transition to the new executive team (Nathan Isterling, Sharon Fung-Blayney, Melonie Bayl-Smith & Catherine Lloyd retained from last year, Chris Bennetts & Naoko Motegi taking on roles).

## **Financial**

At the end of the last financial year (30 Sept 2016) the Chess Club had net assets of \$13,472. We are in the process of collecting and processing fees for 2017 and will have a financial summary available at the next P&C meeting.

## **Next Steps**

- Continue to develop school teams for interschool competition. We need to replace the core team of students who have now left the school or moved to band.
- Willoughby Girl High Chess Club to provide 3-5 girls to help with supervision of the Chess Club.
- P & C to inform Chess Club re privacy rules on data we have on our database (eg. Can we share parents email addresses / mobile numbers to facilitate roster swaps?)
- Chess Club Dropbox: to mitigate risk of deletion of club archive and current working docs, we will be removing access to all but current exec unless we have a specific request
