

WPS P&C Events Update, Term 2 - Wednesday 24th May

Family Fun Night

It was after much deliberation that this year we had to cancel Family Fun Night. The unusual and unpredictable weather saw us re-schedule the event only to have to cancel the event.

We offered the school community who had already purchased their tickets to donate the funds to the purchase updated iPads much needed for the students. The P&C is in process of purchasing 10 of these.

Grandparents' Day/ Sausage Sizzle

Held on Thursday 6th April, this year's Grandparent's Day was very successful. We had plenty of volunteers but unfortunately did not have many donations of 'morning tea' food.

Ms Verhagn's idea to sell the stock of sausages that were originally purchased for Family Fun Night at Grandparents Day was a great success. This raised approximately \$1,000 to go towards Year 6's Graduation Dinner that they would normally have raised at the Family Fun Night Side Show Alley.

Mothers Day Stall

This year the Stall sold approximately 870 gifts - a little less than the previous years' average. We think this may have been because Mothers Day fell only 3 weeks into Term 3, not allowing a long amount of time for us to advertise.

We continue to work out of the disabled toilet given this is the only available space for storage. We have approximately 400 gifts stored for next year that we purchased at a discount when ordering for this year.

Some Fathers Day Stall gifts are also currently stored and ready for this years Stall that we were also able to purchase at a large discount.
