

Willoughby P & C Meeting - Wednesday 12 August 2015

Grounds Committee Report

Grounds Working Bee

We have had to move the date of the working bee.

The revised date is Sunday 18 October (end of week 2, term 4).

The timing of the working bee will work well as the bulbs will have gone dormant and their leaves will mostly have died back. This will make it easier to weed and plant new plants, finishing off with mulch.

Other projected work will be weeding generally around the school.

Financials:

Money spent to date:

Handyman	\$160.00 (January)
Handyman	\$225.00 (May)
Total	\$385.00
