

## WPS P&C Rugby League Sub committee report 1<sup>st</sup> term 2018

1. The Florimo 7s rugby league competition will be held again this year. WPS are current Senior school champions. I would like to thank Mr Parks who has moved on from WPS for all his work with the Rugby League Last year with the Florimo 7's, The Legends Gala day at Macquarie University and league tag.
2. Winter sports are nearly upon us. The Rugby League sub committee has been successful in providing equipment, jerseys, training assistance and professional coaches for all school rugby league competitions in the last few years. We offer our assistance again in 2018 and will be happy to work with the new rugby league sports teacher to provide parents, coaches and assistance during any gala days.
3. The NRL offers many different types of training, coaching for public schools. Should the school like the NRL to provide sports programs please contact me and I can arrange for the NRL schools coordinator to get in contact. I have seen these programs at other schools and they give kids the opportunity of learning new skills that they wouldn't learn through normal school activities.
4. I take this opportunity to thank the P&C for their assistance with Rugby League throughout the last few years in particular advertising in the p&c booklet.

Regards

Tony Bellia  
Convenor
