

## **Willoughby Public Rugby League sub- committee report 2019-02-19**

Winter sports is upon us.

Agenda items

- Junior Club Willoughby Roos to assist WPS fete on Saturday 23<sup>rd</sup> February at Willoughby Park
- Junior school competitions coming up - participation
- Assistance and qualified training/coaching available for any school competitions coming up

The sub- committee has for the last 4 years provided jerseys, coaching assistance, training, tents, water and drinks for the players attending junior league competitions as well as provided assistance at school functions. This assistance has come thru the Sub-committees involvement with the Willoughby roos junior club, the clubs sponsors and its affiliation with the North Sydney Junior Rugby League.

The sub- committee would like to be able to continue this assistance in light of the schools' high participation rate and past success at the junior league carnivals it has attended.

The sub -committee has also been proactive in putting together junior teams at external competitions such as touch football, tag and junior league thru its advertising.

Thankyou

Convenor – Martin Irvine

Secretary – Vicky Perdikaris

Committee Member –Tony Bellia
