

Willoughby Public School P&C Rugby League sub committee report for 22/5/19

Wow – what a great start to the school year and winter sports season for the sub committee.

The on again, off again WPS fete at Willoughby Park was a great success with so many youngsters wearing the Blue and Yellow of local club Willoughby Roos Junior rugby league club as they handed out many jerseys and prizes. Great to see ex rugby league legend Brett Finch attend and talk to so many kids and families. The sub committees relationship with the Roos, Willoughby Council, NRL and North Sydney Junior league allowed the use of facilities, tents and other equipment.

Following this great day the roos club was able to organise some training and coaching for participants in the Florimo 7s Junior league gala day to be held at Montview Oval, Hornsby.

On two consecutive Thursdays Roos and NRL coaches held training clinics after school at Willoughby Park for the teams who would be attending the Gala day. It was a great success with junior /senior girls touch, senior girls tackle and junior/senior boys tackle being catered for.

On the day of the competition many Roos coaches and players' parents attended to help the teams culminating in the first ever Senior girls tackle rugby league competition match for Willoughby Public School. What a great day of footy as the boys and girls made a huge impact on the competition with some great skills and sportsmanship whilst the Junior Girls touch team were successful in winning their Grand Final. Well done girls.

A big thankyou to all the teachers who helped bring the teams to Willoughby Park for training and who attended the gala day. Big thankyou again to all the parents and coaches who assisted on the day as well as a big thanks a to local club the Willoughby Roos who provided food, drinks, tents, jerseys and many of the coaches on the day.

Coming up : Sydney North Girls Challenge Gala day Tuesday 11 June – tackle. U10s ,U12s. For further info contact Tony Bellia 0403070558

Willoughby Public Rugby League sub- committee report 2019-02-19

Winter sports is upon us.

- Junior Club Willoughby Roos to assist WPS fete on Saturday 23rd February at Willoughby Park
- Junior school competitions coming up - participation
- Assistance and qualified training/coaching available for any school competitions coming up

The sub- committee has for the last 4 years provided jerseys, coaching assistance including training, tents, water and drinks for the players attending junior league competitions as well as provided assistance at school functions. This assistance has come thru the Sub-committees involvement with the Willoughby roos junior club, the clubs sponsors and its affiliation with the North Sydney Junior Rugby League.

The sub- committee would like to be able to continue this assistance in light of the schools' high participation rate and past success at the junior league carnivals it has attended.

The sub -committee has also been proactive in putting together junior teams at external competitions such as touch football, tag and junior league thru its advertising.

Thankyou
